

May News & Updates

Summer is fast approaching and school will be out. Please join us for a fun time and create some memories.

We have all sorts of planters and pots for all the gardeners. Also have a wide selection of Gnomes available to paint in the studio. Stop in and check them out.

Also make sure you stop by the studio during business hours, which are listed below to pick up your finished pieces before they have been shipped to the Island of Lost Pottery.

Reservations can only be made by **CALLING** the Studio. No email or DM's through FB are accepted. Reservations also need verbal confirmation with a

CCC Staff member. We are still taking Walk-Ins but reserving a table is best. We start taking reservations on Tuesdays for that week (Tue-Sat).

We can get extremely busy during summer vacation, school holidays and on Saturdays. We are highly recommending calling ahead and reserving a table during studio hours regardless of the number of painters.
