

Summer Day Camps

The Summer Art Programs are designed to be fun and educational as we explore our world through the use of different media. Favorite things become images in clay and paint. Each camp includes two clay projects plus drawing and painting with ceramics and acrylics (four projects total, and this year a bonus ceramic mug for 9-12 year-olds). All projects in 2010 are functional pieces and make great gifts.

Painting techniques include color blending, accents, sponging and color washing. See reverse for description and prices. Register early. Camps are limited to 16 participants.
