

Summer 2023 Camps

The Summer Art Camp is designed to be fun and educational as we explore our world through different media. We will be doing SEVEN new projects in a variety of mediums that may include clay sculpting, mosaics, string/board art, and painting with ceramics, and canvas. Many kids find their camp projects make great gifts.

Sample projects will be on display in our studio. See reverse for description and prices. Campers are asked to bring a lunch or snack and we'll provide a Capri Sun drink. Register early -- camps are limited to 12 children. Camps with fewer than two could be cancelled 10 days ahead of time. Be sure to include a 2nd choice week. Discounts apply for early registration and for more than one child in a household.
