

2011-12 HOME SCHOOL DAYS

Take advantage of special painting rates for home schoolers. Select items will be reduced on the first and third Fridays of the months listed below. Plan a group outing or come with all your family. Everyone in the family gets the savings. It's a great way to make gifts for the special people in our lives.

No need to reserve ahead of time unless you're bringing a group of six or more painters. Come in between 11am and 2pm and finish your project by 3pm to receive the discount. (Projects not completed the same day will be charged our regular continuation fee of \$4.)

Supplies are limited so come in early, and allow plenty of time to paint and socialize with other home schoolers. Prices below include studio fee and sales tax. Offer is limited to one piece per painter per visit.
